customer Parking In Rear

DRIN CH

oh Fuck! I forgot to ask if you wanted anything!

It's cool.

The nicotine from this cigarette is all I need.

So what was up with your dude?

I wanted to punch him.

But I'm not really into confrontation.

Thank you thank you thank you thank you thank you

Wasn't kinda obvious, though? We were having an ex-lovers spat. He's one of those bitter exes who has a lot of boundary issues.

Aw Fuck... really?

I have one of those too.

chew chew chew

I feel like I should be honest with you about something...

oh shit! Is it about the raccoon family living in the crawlspace.

Cuz I wasn't feeding them I swear!

thank you thank you thank you thank you thank you
